

Finding the one

Five simple steps to buying the
holiday home for you

where life
feels
bigger

1. Your perfect match

Choose the park or resort that makes your heart skip a beat.

Location matters - after all, this is your holiday place. Think about how you'll use your holiday home and what feels right for you:

What's your holiday vibe and must-have facilities?

What's the local area like?

How often will you visit?

How close to home do you want to be?

With parks across Devon, Cheshire, Cornwall, North Wales and Wiltshire, all open year-round for holidays, you're spoiled for choice. Our holiday homes are for leisure use only - weekends away and longer breaks whenever you fancy.

3. Made for you

Meet **'the one'** that fits your holiday home lifestyle.

From entry-level caravans to luxury lodges (yes, some with hot tubs*), we've got something for everyone. Choose brand new with all the bells and whistles, or a pre-loved holiday home if you want your budget to stretch further.

Have a proper look around. Open cupboards. Peek in every corner. Picture lazy mornings and long evenings. When you find the one we will work on the finer details with you.

5. and make it official

Buy your holiday home.

We'll arrange your handover day, you'll meet with our ownership team or park manager, we'll welcome you properly, walk you through everything you need to know and finally hand over your keys.

2. Make a date with us

Your first taste of holiday home life.

Come and explore, imagine the possibilities, step inside our holiday homes and see how it could work for you. Chat to our team and ask us as many questions as you wish about ownership - we're here to make your decision easier.

4. Make the pennies work for you

Know the costs and find a finance option you're comfortable with.

Get clear on costs:

Annual pitch fees

Insurance

Utilities - electricity, gas, water, sewage and refuse

Maintenance

Running costs can vary year to year, so we'll make sure everything's transparent and works for your budget.

Finance options:

There are flexible ways to help bring your holiday home plans to life.

- 1 **Paying outright if you're ready to go**
- 2 **Borrowing from specialist holiday home finance providers**
- 3 **Releasing funds via remortgaging or if you're over 55, pension release options**

You can ask us about subletting*, which can help offset running costs. Plus occasionally, we offer Guaranteed Rental Income or Rental Advance Agreement options*, with fixed cashback.
