# About The Park

While you are here you will be able to explore the contrasting areas of the park – dense woodland, and open parkland. Not only will you find a wide variety of trees and plants but you will also see a great variety of birds, animals and insects all in their natural environment.

We take our responsibility for this natural environment very seriously and have initiated a number of protective measures:

- From spring until late summer we limit grass cutting on a number of areas to allow the natural seeding of the wild flowers – you may be lucky enough to spot a rare wild orchid which grow around the park.
- We only plant trees and shrubs which are native to this environment.
- Our team check regularly to ensure there is no litter on the park.

We are justly proud of our park and hope that you will enjoy being close to nature. Please help us to keep Brokerswood special for future generations by not picking wild flowers, dropping litter or driving your car onto the grass.

- Never use the hot tub whilst under the influence of alcohol.
- Never use the hot tub during a thunder storm or when lightning is forecast.
- Always tie back long hair – this will stop it getting sucked into filters.
- We strongly recommend children under the age of 8 do not use the hot tub.
- No diving into or ducking under the water.
- Children under the age of 14 must be supervised at all times.
- We strongly advise you not to use the hot tub if you are pregnant.
- We use chlorine and bromine in our hot tubs – if you are allergic to either of these chemicals please do not use the hot tub.
- The jets will supply bubbles - never add any detergents or chemicals to the hot tub. You could damage the hot tub or cause a chemical reaction which could damage you!
- We suggest you remove all jewellery before using your hot tub.

We take the care and cleanliness of your hot tub extremely seriously and we respectfully request that you do the same. This will ensure your enjoyment throughout your stay.

## **Keys**

One key is issued per lodge. We can normally provide a second key if required although we do ask for a refundable £5 deposit. This can be arranged in reception. The keys to your accommodation will be locked safely in a key safe outside the holiday home. We will send you a text message with the code to the key safe on the afternoon of your arrival day. This will be sent to you close to our standard check-in time of 4pm.

## **Launderette**

Used at your own risk as no refunds available at this time due to not handling money by team members. 60-65% of units have washing machines inside. Please check facilities for your holiday on Hoseason's booking information.

## **Oven & Grill**

### **The Oven (electric)**

The oven is heated by two elements: one at the top of the oven and the other underneath the floor of the oven.

To heat the oven, turn the selector switch to the required function. The control panel illumination and oven light will remain on. Then turn the oven temperature control to the required temperature. The oven indicator light will immediately come on and will remain on until the oven reaches the set temperature. This light will then automatically go on and off during cooking as the oven thermostat maintains the correct temperature.

Food should not be placed on the floor of the oven.

For gas ovens, turn the oven selector to the desired position and depress either the knob or the igniter button to light the gas. Hold the knob for five seconds before releasing.

### **The Grill (electric)**

Select cooking method by turning control knob to select the required grill setting. The interior light will come on and the grill is ready to use.

For grilling and toasting use full width grill setting, half grill is suitable for small quantities of food as only the inner part of the grill will heat up. Once you have chosen the required setting, the indicator will light and remain on until the required internal temperature is reached. The indicator will go on and off throughout cooking although the grill remains on. To turn the grill off turn selector switch to position 0.

For gas grills, follow the procedure for gas ovens using the grill selector.

## **Parking**

There are two parking spaces per lodge. If you have additional cars please park them in the main car park.

## **Pets**

Brokerswood is a wonderful place for you to holiday with your dogs. In order to ensure the enjoyment of everyone we would ask that you adhere to the following:

### **Keep your dog on a lead**

You must keep your dog on a lead at all times when walking through the park and woodlands. This applies to all dogs irrespective of how well trained they are!

### **Do not allow your dog to foul indiscriminately**

Please ensure you always pick up any deposits left by your dog and place in the appropriate bins.

### **Dogs are not permitted in the following areas:**

- The Children's play areas
- In any of the holiday homes or lodges on hire unless a designated pet unit

### **Do not allow your dog to be a nuisance**

We would ask that dogs do not sit on the furniture or the beds. Dogs should only be left alone in the accommodation if you are sure that they will not bark to the point of annoying other customers or cause any damage to the lodge.

PLEASE NOTE: Pets are NOT allowed in our non-pet friendly lodges. There is an additional deep clean charge of £350.00 if it is found that a pet has been in the holiday lodge.

## **Sewage/Drainage**

Our sewage and drainage system is not a mains system. Please be mindful that introducing foreign objects into the toilet such as baby wipes, cooking fat/oil, toilet wipes, nappies, sanitary products, condoms or cleaning cloths can cause the pumps/system to block, leaving you unable to flush your toilet or drain your sink.

We respectfully ask for your co-operation to ensure the above doesn't become an issue for you during your stay with us.

## **Television**

All our televisions are linked to Freeview so you have a full choice of channels available. Remote controls are provided for both TVs and DVD players.

# Waste & Recycling Information

## Waste Collection

Our waste bins are located in wooden bin bays throughout the park. We would ask that rubbish bags are placed directly into the lidded bins and any items that are recyclable can be placed in the separate bins provided.

## Recycling

As part of our commitment to the environment and our desire to preserve the beauty of this part of the country we are committed to reducing waste and recycling as much of our rubbish as possible. If you would like to join us we have the following recycling available:

The graphic features the Hauffryn logo at the top left, which includes a recycling symbol and the text 'Hauffryn. Caring for your environment.' Below the logo, a message asks for help to reduce waste to landfill. Three colored boxes list accepted items: a blue box for glass bottles and jars, a green box for mixed recycling (paper, card, plastic, metal) with a red 'X' over a plastic bag icon and the text 'no plastic bags', and a white box with a black border for general waste and food landfill. At the bottom, a note directs users to a park map for bin bay locations.
