About The Park

While you are here you will be able to explore the contrasting areas of the park – dense woodland, open parkland and small meadows. Not only will you find a wide variety of trees and plants but you will also see a great variety of birds, animals and insects all in their natural environment.

We take our responsibility for this natural environment very seriously and have initiated a number of protective measures:

- From spring until late summer we limit grass cutting on a number of banks to allow the natural seeding of the wild flowers – you may be lucky enough to spot a rare wild orchid which grows on banks around the park.
- We only plant trees and shrubs which are native to this environment.
- Our team check regularly to ensure there is no litter on the park.

We are justly proud of our park and hope that you will enjoy being close to nature. Please help us to keep Edgeley special for future generations by not picking wild flowers, dropping litter or driving your car onto the grass.

Accommodation

Your accommodation is situated in a picturesque setting and provides a unique and relaxing holiday environment. It is superbly equipped and beautifully styled so what could be more enjoyable than watching the sun set over the trees from your private balcony.

Our maintenance and housekeeping teams have fully checked the lodge prior to your arrival so we are confident that you will have a trouble-free stay. However if you do find something amiss, or if something goes wrong during your stay, please advise us as soon as possible.

All our accommodation is NON SMOKING.

Alcohol

Consumption of alcoholic beverages is restricted to within your holiday home or lodge. No wandering allowed with alcoholic drinks in any of the public areas of the Park.

Barbecues

For customers staying in our country homes and lodges you are welcome to bring your own BBQ to use on your decking area. We request that you do not use disposable BBQs as they are a fire hazard.

Boiler

Your boiler operates your hot water system and, unless your lodge has electric heaters, will also power your heating system which is either radiators or under floor heating. If you have any problems with either your heating or your hot water, please contact reception and a member of our maintenance team will have a look for you.

Children's Safety Policy

As a family orientated Holiday Park Operator, the safety of our customers, including children is of paramount importance. A copy of our Children's Safety Policy is available at reception. We do have a lost child procedure. Should your child go missing report immediately to reception; all team members are trained in the procedure for finding lost children.

We would request that you DEPART your lodge by 9am on the last day of your stay.

We use the information you provide to improve our performance. Your views are taken extremely seriously so please help us to enhance your future holidays with us by returning the questionnaire.

Dishwasher

Before placing the dishes in the dishwasher, please remove the larger food particles to prevent the filter becoming blocked.

Fire Safety

Please familiarise yourself with the exit route from your lodge.

All necessary fire and safety precautions must be taken when using portable barbecues. All lodges have smoke detectors. We check the batteries regularly however, if you do need a replacement battery during your stay, please contact reception.

In Case of Fire

Only attempt to put the fire out if there is no danger to you. Call 999 and ask for the fire service. Give your lodge number and our address, Edgeley Holiday Park, Farley Green, Albury, Guildford, Surrey, GU5 9DW.

All our public areas are fitted with fire alarms. If the alarm sounds, please evacuate the building following the instruction of our team members who are fully trained for this eventuality.

Gas Safety

Oven & Grill

The Oven (electric)

The oven is heated by two elements, one at the top of the oven and the other underneath the floor of the oven.

To heat the oven, turn the selector switch to the required function. The control panel illumination and oven light will remain on. Then turn the oven temperature control to the required temperature. The oven indicator light will immediately come on and will remain on until the oven reaches the set temperature. This light will then automatically go on and off during cooking as the oven thermostat maintains the correct temperature.

Food should not be placed on the floor of the oven.

For gas ovens, turn the oven selector to the desired position and depress either the knob or the igniter button to light the gas. Hold the knob for five seconds before releasing.

The Grill (electric)

Select cooking method by turning control knob to select the required grill setting. The interior light will come on and the grill is ready to use.

For grilling and toasting use full width grill setting, half grill is suitable for small quantities of food as only the inner part of the grill will heat up. Once you have chosen the required setting, the indicator will light and remain on until the required internal temperature is reached. The indicator will go on and off throughout cooking although the grill remains on. To turn the grill off turn selector switch to position 0.

For gas grills, follow the procedure for gas ovens using the grill selector.

Parking

There is one parking space per lodge. If you have additional cars please park them in the reception car park or at the rear of the swimming pool.

Electric Vehicles parked alongside your accommodation should not be charged from the accommodation power supply. Please charge your vehicles at an appropriate EV charging point either on park or in the local area.

Thank you.

Park

Whilst the area is widely regarded as one of outstanding natural beauty we would remind guests that extreme care should be taken when walking. You should always keep to the established footpaths. Small children should be supervised at all times.

Pets

Edgeley is a wonderful place for you to holiday with your dogs. There is so much for them to do in the local area including walking on heathlands and the beautiful Surrey Hills.

In order to ensure the enjoyment of everyone we would ask that you adhere to the following:

Keep your dog on a lead

You must keep your dog on a lead at all times when walking through the park. This applies to all dogs irrespective of how well trained they are!

Do not allow your dog to foul indiscriminately

Please ensure you always pick up any deposits left by your dog and place in the appropriate bins.

Dogs are not permitted in the following areas:

- The Children's playground
- In any of the holiday homes or lodges on hire unless a designated pet unit

Do not allow your dog to be a nuisance

We would ask that dogs do not sit on the furniture or the beds. Dogs should only be left alone in the accommodation if you are sure that they will not bark to the point of annoying other customers or cause any damage to the lodge.

PLEASE NOTE: Pets are NOT allowed in our non-pet friendly lodges. There is an additional deep clean charge of £350.00 if it is found that a pet has been in the holiday lodge.

Sewage/Drainage

Our sewage and drainage system is not a mains system. Please be mindful that introducing foreign objects into the toilet such as baby wipes, cooking fat/oil, toilet wipes, nappies, sanitary products, condoms or cleaning cloths can cause the pumps/system to block, leaving you unable to flush your toilet or drain your sink.

We respectfully ask for your co-operation to ensure the above doesn't become an issue for you during your stay with us.

Television

All our televisions are linked to Freeview so you have a full choice of channels available. Remote controls are provided for both TVs and DVD players.

Wi-Fi

You have access to free wi-fi in your lodge.

For instant access, simply look for the park wi-fi and connect!

If you have any problems, pop into reception or call **01483 202 129**.
