Accommodation

Your accommodation is situated in a wonderful seaside setting and provides a unique and relaxing holiday environment. It is superbly equipped and beautifully styled so what could be more enjoyable than watching the sun set from your private deck?

Our maintenance and housekeeping teams have fully checked the lodge prior to your arrival so we are confident that you will have a trouble-free stay. However if you do find something amiss, or if something goes wrong during your stay, please advise us as soon as possible.

All our accommodation is NON SMOKING. An ashtray can be found under the sink if you do require a cigarette; however you are cordially requested to smoke outside the lodge. Smoking inside the lodge may result in a claim against your security deposit.

Barbecues

You are welcome to bring your own BBQ or use a disposable BBQ on your decking area. We request that disposable BBQs are not placed directly on the decking or outdoor furniture as this will result in damage.

Boiler

Your boiler operates your hot water system and, unless your lodge has electric heaters, will also power your heating system which is radiators. If you have any problems with either your heating or your hot water, please contact reception and a member of our maintenance team will have a look for you.

Child Safety

Please do not encourage children to play on the roads; the roads are in constant use. Please ensure that you know where your children are at all times. In the event of a lost or missing child please contact the Park Manager on 07880 482 883, or the reception on 01758 612770. You will need to provide us with as much information as possible including where the child was last seen and a description of the child and their clothing; we will then send a team out to search for your child.

Departure Time

We would request that you DEPART your lodge by 9am on the last day of your stay. Please return your keys to reception. If you are planning on leaving early, your keys and questionnaire can be placed in the post box at the Fitness Suite.

We trust that you will enjoy your stay with us here at Gimblet Rock. Your opinion counts so we would be very grateful if you could complete the questionnaire which was enclosed within your welcome information pack. We use the information you provide to improve our performance. Your views are taken extremely seriously so please help us to enhance your future holidays with us by returning the questionnaire.

Dishwasher

Before placing the dishes in the dishwasher, please remove the larger food particles to prevent the filter becoming blocked.

Fire Safety

Please familiarise yourself with the exit route from your lodge. All necessary fire and safety precautions must be taken when using portable barbecues. All lodges have smoke detectors. We check the batteries regularly, but if you do need a replacement battery during your stay, please contact reception.

In Case of Fire

Only attempt to put the fire out if there is no danger to you. Call 999 and ask for the fire service. Give your lodge number and our address, Gimblet Rock Holiday Park, Outer Harbour, Pwllheli, Gwynedd, LL53 5AY.

All our public areas are fitted with fire alarms. If the alarm sounds, please evacuate the building following the instruction of our team members who are fully trained for this eventuality.

Keys

One key is issued per lodge. We can normally provide a second key if required although we do ask for a refundable £10 deposit. This can be arranged in reception.

Launderette

Our launderette is open daily from 9am – 9pm. Washing machines require 4 x £1 coins. Dryers will take either £1 coins or 20 pence pieces.

Oven & Grill

The Oven (electric)

The oven is heated by two elements, one at the top of the oven and the other underneath the floor of the oven.

To heat the oven, turn the selector switch to the required function. The control panel illumination and oven light will remain on. Then turn the oven temperature control to the required temperature. The oven indicator light will immediately come on and will remain on until the oven reaches the set temperature. This light will then automatically go on and off during cooking as the oven thermostat maintains the correct temperature.

Food should not be placed on the floor of the oven.

For gas ovens, turn the oven selector to the desired position and depress either the knob or the igniter button to light the gas. Hold the knob for five seconds before releasing.

The Grill (electric)

Select cooking method by turning control knob to select the required grill setting. The interior light will come on and the grill is ready to use.

For grilling and toasting use full width grill setting, half grill is suitable for small quantities of food as only the inner part of the grill will heat up. Once you have chosen the required setting, the indicator will light and remain on until the required internal temperature is reached. The indicator will go on and off throughout cooking although the grill remains on. To turn the grill off turn selector switch to position 0.

For gas grills, follow the procedure for gas ovens using the grill selector.

Parking

There is one parking space per lodge. If you have additional cars please park them in the main complex car park. Please do not park on the grass, only in designated spaces.

Electric Vehicles parked alongside your accommodation should not be charged from the accommodation power supply. Please charge your vehicles at an appropriate EV charging point either on park or in the local area. Thank you.

Television

All our televisions are linked to Freeview so you have a full choice of channels available. Remote controls are provided for both TVs and DVD players.

Waste & Recycling Information

Our waste bins are located at the rear of the fitness suite. We would ask that rubbish bags are placed directly into the lidded bins and any items that are recyclable can be placed in the separate bins provided.
